

Dirty Trick #3

Management Talks About Closing the Company

Supervisors, managers, and other company officials may tell you that the company will close because of the union.

They may even tell you that the union is bad for business and your job is in jeopardy if you vote in favor of the union.

"THAT SOMETIMES HAPPENS WHEN THE BOSS TREATS HIS CUSTOMERS LIKE HIS EMPLOYEES."

The IBEW

TRUTH

It is illegal for the company to close down or threaten to close down because employees choose to join together for a voice at work.

Companies go out of business for a number of reasons, including economic recessions, changes in demand, and poor management.

The union wants the company to be profitable and share these gains with the workers.

If your company's financial situation is bad, management should prove it by showing you the financial records.
